

YPS TEAM BUILDING

Why mini golf? Mini golf is fun and suitable for all ages and physical abilities making it a great way to build team spirit and your teams interpersonal relationships. You can also make it competitive or just keep it casual.

We'll have your food ready for you when you arrive and then you can get straight onto the golf course. A round of golf takes around 60 minutes to play so you can be done in under 2 hours, or, stay longer and utilise our historic 1910 carriages as your meeting room, there's power available and other facilities should you require them, just tell us what you need.
